

A NEW DEAL FOR A NEW AGE: ONLINE ARCHIVES INFLUENCE ON ACCESS AND VISIBILITY OF HISTORICAL SOURCES

Zadar, November 2017

Presentation content

1. Acces and use issues
2. Digital challenges for archives
3. On-site access
4. On-line acces
5. Digital archives - documentators and promotors

Access - regulations and standards

- Archival Act (1997, 2017), Regulation of Use of Archival Material (1999) and other laws
- EU Directives regarding using of information – data protection, processing of personal data, use and re-use of public sector information...
- EU Digital agenda
- ICA standards, Principles of Access to Archives, Technical Guidance on Managing Archives with Restrictions

Using records on-site

- Reading room
- Registration form for using archival record (acceptance of user obligations)
- Use of finding aids, research, reproduction ...

Digital challenges for archives

- changing role of archives (digital records management, e-government, big data...)
- on-site versus on-line access to archives
- need for regulations on legal, professional and ethical basis
- use and re-use of public sector information
- digitisation
- IT – interoperability, networking, ...
- costs and funding

On-line access to archives - examples

- International portals: Archives Portal Europe, CENDARI, ICARUS digital platforms (Monasterium & Topototheque), Mapire
- National archival information systems and thematic portal
- Institution's digital collections and repositories

Prvi svjetski rat 1914.-1918. – pogled iz arhiva

Dobrodošli na webu stranice Hrvatskoga državnog arhiva posebno obilježavaju stogodišnjicu Velikog rata. Cilj je ove stranice predstaviti javnosti savremeno digitalizirano arhivsko gradivo o Prvom svjetskom ratu te upućiti na brojne mogućnosti istraživanja ovog povijesnog razdoblja kroz pojedinačne teme. Sadržaj stranice će se konstantno nadograđivati, a gradivo će se popunjavati i za objave na portali Europeana 1914-1918, Archives Portal Europe i GENOME.

Institutional digital collections

The screenshot shows a digital collection interface. At the top, there is a header with the title "Monumenta antiquissima" in a large, stylized font. Above the title, there is a date range "V. Doc. circa a. 1046-1070. melius circa a. 1046". To the right of the title is a small diagram. Below the title, there is a list of items on the left side, with "HR-HDA-876-3" highlighted in orange. The main content area shows a preview of a document with the title "Potvrda darovnice zadarskih ribara crkvi Sv. Krševana u Zadru" and the date "1056. U Zadru". Below the title, there are two images of the original document pages. The right page has the date "1046. (1056.)" written on it.

The screenshot shows a digital collection interface for a document titled "prijevod". The document is a Latin text, likely a translation of a charter or decree. The text is written in a medieval script and is arranged in two columns. The date "1056." is visible at the bottom of the page. The interface includes a list of items on the left side, with "prijevod" highlighted in orange. The main content area shows a preview of the document with the title "prijevod" and the date "1056.". Below the title, there is a large block of Latin text.

prijevod

gospodina našega Isusa Krista 1056, devete
ospodarice carice Teodore, dok je na biskupskoj
bio gospodin Andrija biskup, u vrijeme priora
i Gize. Svi mi, redovnici za zadarskim građanima,
se malog davanja koje su svi ribari ovog grada
i crkvi blaženog mučenika Krševana, jedan takav
ao. Ako tko protivno ovome, nadut ohološću i
uspravna vrata, ne bi želio dati prije rečeno davanje, neka zna da će ga
stići Božji bijes i crkvena osuda. Mi podsjećamo i svjedočimo da je, kada
smo blaženog Krševana, uz Božju pomoć, opet pokopali i smjestili u novi
sarkofag, prije rečeni biskup Andrija govorom opomenuo narod da, ako bi
tko, da zasluži spas svoje duše, želio dati nekakvu počast takvom našem
zaštitniku i posredniku kod Boga, nju treba darovati s velikom ljubavlju i
vesela srca, jer se čini dovoljno prijekornim, govorio je, da u dan takvog
slavlja i svojeg posvećenja, od onoga što nam je gospodin dao, ne damo
nikakav darcić. Rekao je i neka svatko, tko mu nešto bude dao za njegovu
ljubav i za sveto slavlje koje mi na zemlji slavimo, zna da će sigurno na
sudnji dan, kod pravednog suca, s njegovim svecima i izabranicima, u
kraljevstvu nebeskom, zaslužiti veliku uzvratnu plaću. I kad je ova
opomena bila razglašena pred svim narodom, biskup je dodao i rekao:

erectaque ceruice noluerit dare supradictam
clesiasticam censuram se nouerit incurrere.
camus, quia quando beatissimus Chrisogonus
a nobis atque colocatus in sarcophago nouo,
fecit amonitionem atque sermonem in plebe,
