Partners' expectations in joining SUNBEAM

- ✓ **Internationalization → SUNBEAM is seen as an opportunity to improve the institutional level of internationalization**
- ✓ **Visibility → contribution to increase the visibility of the institutions and a better reputation and image in the area**
- ✓ **Management of international mobility → partners that have limited experience with organized outgoing and incoming mobility see in the project an opportunity to strengthen their management capacity at institutional level and in the organization of the IRO**
- ✓ **Cooperation between EU and the Western Balkans → most partners consider the collaboration with institutions belonging to the Adriatic-ionian area an excellent opportunity for their own development**

The future after SUNBEAM...

Key Action 1: Mobility of Individuals

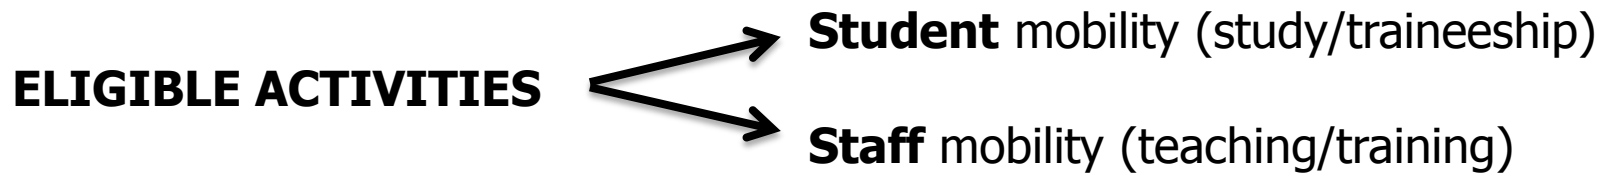

Under Key Action 1 organisations apply for funding to run **mobility projects** to enable organisations to offer structured study, work experience, job shadowing, training and teaching opportunities to staff and learners.

Beneficiaries spend a period of time in another participating country gaining valuable experience of life, study and work with the aim of increasing the opportunities available to them in the future.
